Policy re "Rain days"

Two 'rain days' are now built into the calendar. So, if the school loses one or two days to rain, these will not be 'made up'. If, however, more than two days are lost to rain, then the days concerned will be made up as follows:

Third 'rain day' cancellation will be made up on Thursday 21 June.

Fourth 'rain day' cancellation will be made up on Friday 22 June.

In this case, the teachers' work days would move to 22 and 25 June or 25 and 26 June.
