Fees may also be paid for up to three years in advance. In this case, a lump sum payment equivalent to (3 times) the annual fees for the 2015-2016 school year must be lodged with the school by 13 June 2015 at the latest.
Notes

1. All parents/guardians are urged to pay fees at the regular level, in order to aid the school’s growth and development. However, in order to encourage local families whose children would not otherwise be able to come to the school on account of the fee level, on request, local parents/guardians are offered deeply discounted fees. To qualify for “Barbadian” fees, either the child or one of the parents must possess either a Barbadian passport or a Barbadian birth certificate. A similar condition applies for Caribbean non-national children, i.e. from CARICOM member states or associate members as listed on the page before.

2. There is no proration of fees for students who leave early in the term. For students who arrive on or after the following dates in each of the first two terms, only half of the initial term's fees is payable: 26 October 2015 in the Michaelmas term; 22 February 2016 in the Easter term. Note this does not apply to the third term.

3. Most curricular costs, field trips and materials are funded by the school and the “Resource Fee” assists in this matter. All swimming costs are funded in full by the school.

4. All fees in connection with external examinations are payable by parents/guardians.

5. Payment may be made by cash, cheque or MasterCard/Visa credit card. If payment is made by credit card, the school adds a fee of approximately 5% to cover processing and bank charges.

6. A student’s place in school may be forfeited if the fees are not paid on time, particularly if there is a waiting list for any particular year level. In any case, a late fee of 1.5% per month, or part of a month, per student, is levied when fees are not paid on the due date (or, in the case of a new student, within two weeks of acceptance). Thus, for example, fees paid five weeks late attract a late fee of 3%. If fees are not paid before the first day of term, the student’s name will not appear on class lists and he/she will not be allowed to attend school until the fees are paid in full.

7. A full term’s notice in writing or the fee for one full term in lieu of notice is required before withdrawing a student. Withdrawal forms are available from the director of admissions at the school (admissions@codrington.edu.bb). School records are normally released only if all withdrawal protocols have been met.

8. New students entering during the course of the school year will receive an invoice upon entry, payment of which is required within two weeks of acceptance.

9. Money transfers in Barbadian dollars may be made to the following bank account. Please ensure that the transfer details include the student’s name.

   Bank of Nova Scotia
   Broad Street
   Barbados
   Account #: 9013528
   Swift code: NOSCBBBB

Money transfers in United States dollars may be made to the following bank account. Please ensure that the transfer details include the student’s name.

   Bank of Nova Scotia
   Broad Street
   Barbados
   Account #: 9013739
   Swift code: NOSCBBBB

When funds are remitted in any currency other than Barbadian dollars or US dollars, 5% of the sum should be added in order to cover processing and bank charges.
